Music festivities will begin at 12:30 and continue until 4:30. You may check in at any time prior to your child's performance. I would encourage parents to bring the students early to pick up your ride bracelets. Students can go on rides before or after they play or both. Parents will need to make sure that students make it to their performance on time and not get side tracked on rides.

**Cost:** M.U.S.E. in conjunction with Oaks Park is able to fund the hall space and reduce the cost of ride tickets to \$8.75 (normally \$15.00) for deluxe bracelets. This discount is not just for students performing that day but also for friends and family. **BRING A FRIEND!!** Ride Bracelets will be available at the door starting at 12:00. There is no admission charge to enter the Park or to come to the concerts. We will send more details closer to the day of the event.

**Portland Youth Jazz Orchestra (Combo):** P.Y.J.O. as they are called is run by Michelle and Ben Medler. The Medlers taught for years at Wilson High School and they currently run 4 jazz ensembles during the week at M.U.S.E. They will be having a select group of students perform that day in a small jazz combo. Some of the M.U.S.E. faculty members might be sitting in as well. Come join us for some fun great Jazz!!

**Portland Woodshed Jazz Orchestra:** This group led by M.U.S.E. band director Bryant Allard is a 17 piece adult big band playing traditional and contemporary swing, bossa nova, and latin styles. Adults and kids will love this band!!! It's got lot's of energy.
