Dear St. John Fisher School,

On behalf of the thousands of local Portlanders we serve each month that need emergency food relief, thank you for teaming up with the Portland Police Bureau Sunshine Division to host a food drive. Your efforts enable us to stock our warehouse shelves so that we can continue to provide emergency food 365 days a year and 24 hours a day. Without you this would not be possible. **Your food drive collected 952 pounds of food.**

When families are facing food insecurity, they often are forced to make tough decisions—like whether to pay rent or buy groceries. We help by providing emergency food and clothing services for families and individuals, whatever their background, whatever their crisis. For the victims of domestic violence, the elderly couple or the single parent, many feel as though they have nowhere to turn when things get tough. Fortunately, with the support of people like you, Sunshine Division is able to provide relief to those in need.

We thank you for allowing us to continue to serve Portlanders in need and we look forward to the opportunity to work with you again in the future.

Sincerely,

Officer Phil Kent
